Subj: Operating Plan Change Order: Dana Loran Transmitting Station (C)

1. You are authorized to establish as a manned facility of the U. S. Coast Guard, Dana Loran Transmitting Station (C). Date of establishment is contingent upon completion of construction, testing of equipment, and being able to perform operational service in the designated Loran-C chain. Notify the Commandant (OSU) when the unit is established.
2. Additional instructions will be provided by separate correspondence by the designated operational and administrative commander, in this case, the Commandant (OAR).
3. OPFAC unit number 98-40135 and activity address code 840135 are assigned to Dana Loran Transmitting Station. Notify the Commandant (FM-3) of correct Mailing/Shipping Address in accordance with COMDTINST 2700.1A of 17 August 1965.
4. Personnel allowance authorization will be the subject of separate correspondence.
5. Funds to accomplish this change are available.
