From: Commanding Officer, Loran Transmitting Station, Okinawa  
To: Commandant, U. S. Coast Guard  
Via: 1. Commander, Western Pacific Section, C. G. Depot, Guam, M. I.  
2. Commander, 14th Coast Guard District (dcs)

Subj: Mail Address; recommendation for change of

1. It is recommended that the mail address of this unit be changed to read as follows:

Commanding Officer  
U.S.C.G. Loran Transmitting Station  
c/o 78th QM Base Depot  
APO 331, c/o Postmaster  
San Francisco, Calif.

2. In the past, since Army Postal Service has been used, considerable delay is encountered by this unit in getting delivery on all mail, official and personal. The above address, using the 78th QM Base Depot as reference has greatly speeded delivery of personal mail for personnel stationed at this unit.

3. The 78th QM Base Depot is the regular mail pick up point for this unit on Okinawa and is served by APO 331. At present this unit must waste several hours each week tracing mail addressed to this unit which is delivered to the wrong APO 331 unit by the Base Post Office, Naha. It is felt that this delay can be avoided by use of the address recommended in paragraph 1, above.
