From: LT Melvin L. SELLERS 7475, USCG  
To: Commandant (O)  
Via: (1) LTJG J. H. THOMSON 7931, USCG  
(2) Commander, U. S. Coast Guard Section, Marianas  
(3) Commander, Fourteenth Coast Guard District

Subj: Relief of command; report of

Ref: (a) Art. 7-1-25, CG Regs (CG-300)

1. In accordance with reference (a), I have been relieved of command of this unit at 0800, 22 July 1969 by LTJG J. H. THOMSON 7931, USCG.
2. The unit has been inspected in company of LTJG THOMSON.
3. The crew has been exercised in the general drills.
4. All defects and peculiarities of this unit have been explained to the relieving officer.
5. All unexecuted orders, regulations and orders in force have been delivered to the relieving officer.
6. All documents required to be kept and supervised by the commanding officer have been turned over to the relieving officer.
7. The relieving officer has taken custody of the magazine keys and all other keys held in the custody of the commanding officer.
8. A complete and proper inventory of all RPS distributed publications and non-RPS distributed classified publications and material has been taken jointly by the commanding officer and his relief.
9. All hands were mustered, personnel inspection conducted, and relief of command effected.
10. A complete inventory of plant property was conducted during the relief.
11. All log books and other documents have been signed and completed prior to relief of command.

LT SELLERS ltr 5400 of 22 July 1969

Commanding Officer  
U. S. Coast Guard  
Loran A/C Station  
P. O. Box 395

12. This unit presently is manned with a EN3 filling the EN1 billet. This is not considered to be consistent with the best engineering practices and should not be allowed to continue.
