- T Laundry or Dry Cleaning
- U Medical or Dental
- V Messing
- W Storage or Warehousing
- X Transportation
- Y Utilities
- Z Mortuary Services

Administrative

- Finance and Accounting Services
- Computer and Data Processing Services
- Military/Civilian Personnel Services
- Legal Services
- Mail Pickup and delivery

DD FORM 1144, ITEM 11 (CONTINUED):

c. UNIT STRENGTH: 1 officer - 7 Enlisted Personnel

d. MISSION: Monitor and control the transmissions of the inland portion of the Long Range Navigation (LORAN C System) from Dana, Indiana.

e. FACILITIES ASSIGNED: Building 12721, known as TS-A-21 (2520SF-Shop Space) and 32,000 SF antenna area. (Note: This is an interim facility pending construction of a permanent facility at Site B-4.)

f. AGREEMENT MODIFICATION:

(1) This agreement is made with the understanding that the provisions separately or collectively can be reopened and renegotiated any time either party considers such action necessary. Otherwise, review will be made and agreement revised, if necessary, annually on or about the anniversary date of the agreement.

(2) Either party may terminate the agreement prior to the established termination date by 30 days written notice to the opposite party.

(3) This agreement will continue during mobilization.

g. PERSONNEL AUGMENTATION: No additional manpower resources are required to perform the support provided for in the agreement.

h. REIMBURSEMENT:

(1) Reimbursement billing will be held in suspense when the value of the transactions amounts to less than \$100.00 at the end of a billing cycle (monthly). Such transactions will be accumulated and billings accomplished when volume reaches \$100.00. However, if the cumulative volume of unbilled transactions amounts to less than \$100.00 at the end of a calendar quarter, reimbursement will be waived (except as noted below).

(2) There will be no waiver of reimbursement for work or services, material, supplies and equipment furnished by industrial funds or stock funds.

i. SERVICES AND SUPPORT TO BE PROVIDED:

(1) U. S. Coast Guard personnel will control and operate the station independently, and will provide its own electronics maintenance and electronics supply support.

(2) To provide a complete record of support to be provided by the receiving activity and the services and support to be provided by the supplying activity, the direct support required each party is indicated in Attachment 1, Identification of Services and Support to be Provided.

IDENTIFICATION OF SERVICES AND
SUPPORT TO BE PROVIDED

SUPPORT FUNCTION
