To: Commander, Fourteenth Coast Guard District  
Subj: DOCR Stations; logistic support of  
Ref: (a) COGB14(o) ltr A4-2/L Serial: 0479 of 13 November  
1959 (Confidential)

1. The justification contained in reference (a) for the acquisition of a Navy ATF vessel for support of DOCR stations is appreciated. However, logistic support of these stations on a long-range basis will include only a partial requirement for use of a Coast Guard vessel when current planning for support of these stations materializes. Consequently, acquisition and assignment of an ATF type vessel to the Fourteenth District for this purpose will not be undertaken at the present time.
