REPLY TO XPLTSgt Kurth/752-9288
ATTN OF:

16 JUN 1967

SUBJECT: Shemya-Attu VHF Link

✓
TO 17 Coast Guard District

1930-24 Comm Det

1. Approval has been granted for the installation of AN/TRC-24 equipment with associated carrier, telegraph and signalling equipment between Shemya and Attu. Request your concurrence in the following tasks so they may be included in a formal Coast Guard-Air Force Agreement:

a. The Air Force will loan AN/TRC-24 radio equipment and associated carrier, telegraph and signalling equipment to the Coast Guard for installation in the LORAN C station, Attu Island, Alaska.

b. The Air Force will assist the Coast Guard in the installation of the AN/TRC-24 and associated equipment and provide a briefing on maintenance procedures.

c. The Air Force will furnish the Coast Guard with technical manuals, initial spare parts and peculiar test equipment.

d. The Air Force will maintain liaisons with the Coast Guard providing maintenance assistance in the event major maintenance problems occur.

e. The Air Force will assist the Coast Guard in establishing supply procedures to support the AN/TRC-24 and associated equipment.

f. The Coast Guard will provide space for the installation of the AN/TRC-24 and associated equipment in their facilities on Attu.

g. The Coast Guard will install, operate and maintain the AN/TRC-24 and associated equipment in accordance with initial briefings on maintenance procedures provided by the Air Force and with Air Force assistance with major maintenance problems.

h. The Coast Guard will provide logistical support for the AN/TRC-24 and associated equipment.

*Mr. Walton's Copy -
Please give Mr. Stubbs any comments you may
have.*

2. Direct coordination between the 17 Coast Guard District, Juneau, Alaska, and the 1930 Det 24 Comm Squadron (2064 Comm Sq effective 1 July 67), Shemya, Alaska, is encouraged to insure a coordinated reply to this correspondence. Request reply not later than 7 July 1967.

FOR THE COMMANDER

R V REYES JR, Major, USAF
Directorate of Plans and Programs
