Served on East Island from 5/1/52 to 11/3/52. Member of last crew to operate LTS from East Island before it was decommissioned in October, 1952 and operation of the French Frigate Shoals LTS transferred to Tern Island. Came as ET3 and left as ET2. Looking to reconnect with other crew members that served aboard during that period.

Bill Senn-Was on East Island. We were evacuated for a hurricane by a Navy DE. Spent 2 or 3 days trying to avoid it but the hurricane found us. Lost the motor life-boat we were towing with the dog in it. When we were returned to Frigate, by the CGC Basswood, found the storm had barely washed over the island and the dog we left behind was still there and in good shape. I was an ET3, made ET2.

Served at the beginning of PMR era. Great time during the year and almost returned in 2006 but visit was denied. Was told by CG the the island stinks horrible from bird growth etc. Sorry to hear that.

Made several trips to FFS on Kukui between 52 and 54. Do they still have the sign over the door to the mess hall that says 'Welcome to our little Island of Paradise. Enjoy a HASP-free vacation'?
