From: Officer in Charge, Loran Transmitting Station, Folly Beach, S.C.
To: Commandant.
Via: Commander, 7th Coast Guard District, Miami, Florida.
Subj: Command, Change of.

1. I have, in company with Charles Sopko, RELE, USCG, conducted a thorough inspection of Coast Guard Loran Transmitting Station, Folly Beach, S.C.
2. I consider the personnel to be satisfactory and the equipment and buildings and communications to be in satisfactory condition.
3. The condition of the mess on this date is satisfactory with no apparent outstanding accounts.
4. Secret and confidential publications and files have been inventoried and receipted for.
5. The Record of Public Property has been examined and approved. All correspondence and unanswered correspondence has been passed on to me.
6. Our inspection has been thorough, however, I reserve the right given me in Regulations, to report any discrepancies discovered within the next thirty days.
7. Pursuant to orders received from Commander 7th Coast Guard District dated 19 August, 1948, File p 73-531, I have assumed command of Coast Guard Loran Transmitting Station, Folly Beach, S.C. as the relief of Charles Sopko, RELE, USCG.
