

**COMMANDER, FOURTEENTH COAST GUARD DISTRICT
HONOLULU, HAWAII 96850-4982**

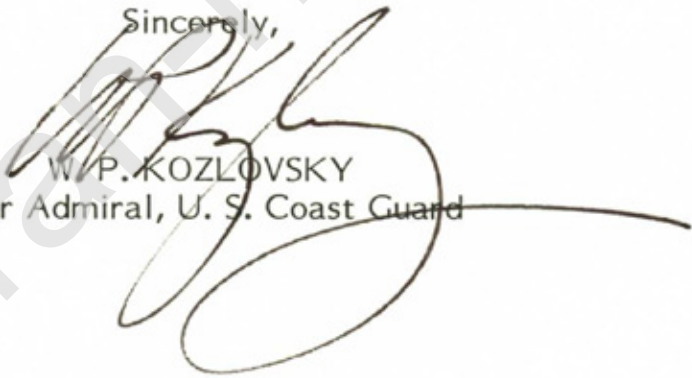

24 February 1989

Dear Lieutenant Nguyen:

Your command was one of those considered for the Admiral John B. Hayes Award. The decision to choose a unit to represent the Fourteenth District for this award was very difficult.

I regret to inform you that Loran Station Gesashi was not selected as our representative. Regardless of this decision, your unit should be very proud of its accomplishments during the year 1988. It is apparent that your commitment to excellence and professionalism contributed to your nomination for the Admiral John B. Hayes Award.

Sincerely,

W.P. KOZLOVSKY
Rear Admiral, U. S. Coast Guard
