12 April 1990

**CHANGE OF COMMAND  
LORAN - C STATION GESASHI**

**LT (jg) LEIGH A. ARCHBOLD**

LT(jg) Archbold is from Woodbridge, Virginia. In 1983, she entered the Coast Guard Academy, graduating with a Bachelor of Science degree in Civil Engineering. She served as Auxiliary and Electrical Assistant aboard USCGC CHASE and Damage Control Assistant aboard the USCGC HAMILTON, both homeported in Boston, MA, before reporting to LORAN Station Gesashi. LT(jg) Archbold will be assigned to USCG OMEGA Navigation System Center in Alexandria, VA.

**LT (jg) PETER W. GAUTIER**

LT(jg) Gautier is a native of Ridgewood, New Jersey. In 1983, he entered the Coast Guard Academy, graduating with a Bachelor of Science degree in Marine Engineering. He served as a student engineer aboard USCGC MACKINAW, homeported in Cheboygan, MI, and as Assistant Engineer Officer aboard USCGC VALIANT, homeported in Galveston, TX.
