GEORGE R. ARIYOSHI  
GOVERNOR

MESSAGE FROM GOVERNOR GEORGE R. ARIYOSHI

It is a pleasure to extend my warmest aloha and congratulations to the officers and members of the U. S. Coast Guard, past and present, on the 25th anniversary of operation of the Kure Atoll LORAN Station.

Your quarter-century of service has been exemplary--and especially beneficial to the people of Hawaii. You have provided navigational aids for mariners; helped to preserve our precious natural resources; offered food, lodging, and support for our scientists and technicians; and otherwise been of invaluable service to our state and nation.

Although we are many miles apart, I want you to know that the people of Hawaii deeply appreciate your devoted service, professionalism, and commitment. You exemplify the true spirit of the U. S. Coast Guard.

We join in wishing you many more years of success.

  
George R. Ariyoshi
