UNITED STATES COAST GUARD

(ecm)  
626-815-800  
220-141

Office of the  
District Coast Guard Officer  
Third Naval District

21 September, 1943

~~CONFIDENTIAL~~  
**CONFIDENTIAL**

National Defense Research Committee  
Div. 11  
302-E, Hood Building  
Radiation Laboratory, M.I.T.,  
Cambridge, Mass.

Gentlemen:

In accordance with the letter from the Commandant Coast Guard to National Defense Research Committee (CG-626-815-810-220-141 Confidential) dated 3 July, 1943, and my letter of 17 September, 1943, to Naval Liaison Officer for Loran (626-815-810-220-141) (Confidential), the bearer of this letter Lt. G. H. Shimer, U.S.C.G., is authorized to turn over to your representative custody of Hither Plains Life Boat Station and all of the Coast Guard equipment now at that station. A joint inventory of Coast Guard property other than the buildings and grounds will be made by your representative and Lt. Shimer. All items of Coast Guard equipment are to be entered as indorsement 1, heron and such indorsement will be signed by both parties, and constitute a receipt by you for the equipment listed.

Upon signing this inventory the Coast Guard will not be responsible for the security of this property or equipment located thereon.

Very truly yours,

/s/ G. U. STEWART,  
Captain, U.S.C.G.,  
Assistant DCGO-3rdND.

cc: Commandant Coast Guard  
Mr. R.K. Temple  
Naval Liaison Officer for Loran
